"Rural Health Solutions: Rehabilitating Injured and Disabled Farmers and Farmworkers"

BROUGHT TO YOU BY

California AgrAbility Project

The University of California - Davis

AND

Over 20,000 farmers and workers are injured each year and are unable to return to work. Health, ergonomic and vocational rehabilitation professionals are on the front lines of helping these workers. Approved for CEU, CIH, CSP, CME. [Learn more and pre-register...](#)
