

# Western Regional Agricultural Stress Assistance Program

## WRASAP Network Meeting

This meeting is an opportunity for stakeholders in the western region to build connections and collaboration to assist farmers, ranchers, and other agricultural workers in times of stress. Working together cultivates behavioral/mental health awareness and rural resilience for all agricultural producers, their families, and communities.

**Thursday, September, 14th 2023**

**1:00pm-2:00pm PST**

**<https://tinyurl.com/WRASAPQrtlyMtg91423>**

This meeting is open to the public. **[www.farmstress.us](http://www.farmstress.us)**

## "RESULTS AND IMPLICATIONS OF THE WRASAP AGRICULTURAL WORKER STRESS SURVEY"

WRASAP partners from Montana State University share findings from the survey administered in the Western Farmer Rancher Stress Assistance Network area covering 13 U.S. states and 4 territories.
